Vinepower Labour Hire

Our workers are hand chosen by our recruitment manager and are placed on Vineyard Teams with the skill set to suit the application or task requested. We employ a mixture of local residents and International workers.

All of the Vinepower Teams undergo full Health & Safety Inductions and Training. Vinepower prefers our teams to be managed by a Vinepower Supervisor so we can assure you tasks are carried out to a high standard and also provide onsite additional training and assessment.

Vineyard Tasks generally include the following: Planting, Wire dropping & lifting, Vine training, Bird netting, Wrapping canes, Dropping fruit, Cane or spur pruning, Picking & harvesting, Shoot thinning, Weeding, Leaf plucking, De-budding, Bunch thinning, Re-working of vines, Trellis & irrigation installation, Bottling Technicians, Machinery Operators.

Our worker bill rates are all inclusive: Superannuation, Workers Compensation, Public Liability Insurance, Payroll Tax, and Casual Loadings on Piece Rates.
