## Thinking About Pruning Already?

**Heard about the great pruning done by the Vinepower Teams?**

***VINEPOWER HAS AMAZING SEASONAL WORKERS WHO ARE AVAILABLE FROM JUNE TO DECEMBER EVERY YEAR***

Vinepower is a registered employer in the Seasonal Worker Program. Each team has its own bus and supervisor. They are reliable, fast and proven quality pruners.

We are organising our pruning plans now. If you are interested in being part of the program for either all or part of your pruning this season then give Jim or Dave a call. The same team can do your wires and shoot thinning. Get the same team next year as well!
